

Golf Club & Luggage Delivery Service

Getting ready for the golfing trip of a lifetime with CarrGolf?

Forget about the hassles of dragging cumbersome items through airports and the anxiety of delayed baggage. Sports Express will pick up your golf clubs and luggage at your home or office and deliver it all right to your destination!

Sports Express guarantees your items will be delivered on time or we will pay for rentals and for you to purchase needed items. Sports Express uses trusted delivery services. A Travel Concierge fills out all the necessary paperwork, watches over your items every step of the way, and keeps you informed of your items' progress by sending you pickup and delivery notifications.

So travel light, and let Sports Express handle the heavy lifting and the details. As an added benefit of being a CarrGolf client, *you receive 5% off your order when using promotional code CarrGolf.*

“The hassle of lost luggage makes taking your own clubs a big concern. Using Sports Express to ship your clubs gives you a great comfort level, especially if you are traveling on business or to a “must play” course where your equipment makes the difference in the experience.” - Bob Francisco, Director of Golf, Diplomat Country Club & Spa
